

STANDARD FORM NO. 64

Office Memorandum • UNITED STATES GOVERNMENT

TO : Acting AD/RR

DATE: 28 Sept 62

STAT

FROM : St/P/C

STAT

SUBJECT: ERA and GRA Projects to be Completed that are considered intelligence Support to Policy and Action Group.

The attached lists are submitted for your review. These ERA and GRA projects are considered to be significant support to policy and Action people. St/CS ^{as in 23 ERA list} have nothing to add. ~~Their work is usually done in response to specific requests on a daily basis and cannot anticipate their production beyond a few days.~~ logs had nothing to add and reflect our support to requesters already completed.

STAT

STAT

There may be projects on the attached lists that do not meet your specific needs at this time. I requested that projects be listed if there was a possibility that they would be of interest to policy makers, ~~so that~~ so that you could delete them at your discretion.
